

## Were you aware of these achievements among our SE-L students?

- HARVARD \* YALE \* PRINCETON \* CASE – These are some of the colleges fortunate to have 2012 SE-L graduates attending in their freshmen classes of 2016.
- All three of SE-L's elementary schools have been rated EXCELLENT by the Ohio Department of Education for the past three years.
- Brush High School, rated EFFECTIVE by the Ohio Department of Education for six years in a row, has 10 Honors classes and 11 Advanced Placement classes.
- Memorial Junior High School's seventh-grade Power of the Pen team captured first place among 15 teams in district competition in January.
- Brush High School's Hacksaw robotics team placed fourth in the state championship in February and has gone to the world championship three times in the past 10 years.

*Isn't \$3.50/week worth continuing such success?*

**VOTE FOR**  
**ISSUE 115**

*"SE-L Schools have been excellent stewards of taxpayer dollars. With the addition of a dynamic new superintendent, Linda N. Reid, and new School Board leadership, we believe this district is poised to continue its great progress – if voters support Issue 115 at the polls."*
